FY 2000 Commerce, Justice, State, Judiciary, and Related Agencies Appropriation bill...”

General Provisions--Department of Commerce

SEC. 201. During the current fiscal year, applicable appropriations and funds made available to the Department of Commerce by this Act shall be available for the activities specified in the Act of October 26, 1949 (15 U.S.C. 1514), to the extent and in the manner prescribed by the Act, and, notwithstanding 31 U.S.C. 3324, may be used for advanced payments not otherwise authorized only upon the certification of officials designated by the Secretary of Commerce that such payments are in the public interest.

SEC. 202. During the current fiscal year, appropriations made available to the Department of Commerce by this Act for salaries and expenses shall be available for hire of passenger motor vehicles as authorized by 31 U.S.C. 1343 and 1344; services as authorized by 5 U.S.C. 3109; and uniforms or allowances therefore, as authorized by law (5 U.S.C. 5901-5902).

SEC. 203. None of the funds made available by this Act may be used to support the hurricane reconnaissance aircraft and activities that are under the control of the United States Air Force or the United States Air Force Reserve.

SEC. 204. None of the funds provided in this or any previous Act, or hereinafter made available to the Department of Commerce, shall be available to reimburse the Unemployment Trust Fund or any other fund or account of the Treasury to pay for any expenses paid before October 1, 1992, as authorized by section 8501 of title 5, United States Code, for services performed after April 20, 1990, by individuals appointed to temporary positions within the Bureau of the Census for purposes relating to the 1990 decennial census of population.

SEC. 205. Not to exceed 5 percent of any appropriation made available for the current fiscal year for the Department of Commerce in this Act may be transferred between such appropriations, but no such appropriation shall be increased by more than 10 percent by any such transfers: Provided, That any transfer pursuant to this section shall be treated as a

reprogramming of funds under section 605 of this Act and shall not be available for obligation or expenditure except in compliance with the procedures set forth in that section.

SEC. 206. Any costs incurred by a Department or agency funded under this title resulting from personnel actions taken in response to funding reductions included in this title or from actions taken for the care and protection of loan collateral or grant property shall be absorbed within the total budgetary resources available to such Department or agency: Provided, That the authority to transfer funds between appropriations accounts as may be necessary to carry out this section is provided in addition to authorities included elsewhere in this Act: Provided further, That use of funds to carry out this section shall be treated as a reprogramming of funds under section 605 of this Act and shall not be available for obligation or expenditure except in compliance with the procedures set forth in that section.

SEC. 207. The Secretary of Commerce may award contracts for hydrographic, geodetic, and photogrammetric surveying and mapping services in accordance with title IX of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 541 et seq.).

SEC. 208. The Secretary of Commerce may use the Commerce franchise fund for expenses and equipment necessary for the maintenance and operation of such administrative services as the Secretary determines may be performed more advantageously as central services, pursuant to section 403 of Public Law 103-356: Provided, That any inventories, equipment, and other assets pertaining to the services to be provided by such fund, either on hand or on order, less the related liabilities or unpaid obligations, and any appropriations made for the purpose of providing capital shall be used to capitalize such fund: Provided further, That such fund shall be paid in advance from funds available to the Department and other Federal agencies for which such centralized services are performed, at rates which will return in full all expenses of operation, including accrued leave, depreciation of

fund plant and equipment, amortization of automated data processing (ADP) software and systems (either acquired or donated), and an amount necessary to maintain a reasonable operating reserve, as determined by the Secretary:

Provided further, That such fund shall provide services on a competitive basis: Provided further, That an amount not to exceed 4 percent of the total annual income to such fund may be retained in the fund for fiscal year 2000 and each fiscal year thereafter, to remain available until expended, to be used for the acquisition of capital equipment, and for the improvement and implementation of Department financial management, ADP, and other support systems: Provided further, That such amounts retained in the fund for fiscal year 2000 and each fiscal year thereafter shall be available for obligation and expenditure only in accordance with section 605 of this Act:

Provided further, That no later than 30 days after the end of each fiscal year, amounts in excess of this reserve limitation shall be deposited as miscellaneous receipts in the Treasury: Provided further, That such franchise fund pilot program shall terminate pursuant to section 403(f) of Public Law 103-356.
